Pay of teachers

* 86 *Q.*—SRI A. A. RASHEED : Will the Hon. the Minister for Finance be pleased to state whether it is a fact that the Union Government would bear 50 per cent of the cost of increased pay of the teachers as a result of the acceptance of the Pay Commission's recommendations?

THE HON. SRI C. SUBRAMANIAM : We addressed the Government of India to extend assistance towards at least 50 per cent of the additional cost to the Madras Government consequent on the implementation of the proposals of the Madras Pay Commission for the revision of salaries of elementary and secondary school teachers. The Government of India have regretted their inability to give any extra assistance beyond what is already available during the Second Plan period in the Plan Scheme for the revision of salaries of teachers.

SRI A. A. RASHEED : Sir, May I know the amount of assistance given by the Union Government towards this during the Second Five-Year Plan and whether the Government will reconsider and appeal to the Government of India once again at least to bear 25 per cent of the cost?

THE HON. SRI C. SUBRAMANIAM : The question arises only for this year and the next year. After that, it would form the committed expenditure and the Finance Commission would look into it and allot sufficient resources for the expenditure. This is only for a temporary period.

SRI N. MARUDACHALAM : இந்த சம்பள கமிஷன் சிபார்சுப்படி கிராமங்களிலுள்ள பஞ்சாயத்து கீழ்தர சிப்பந்திகளுக்கு இன்னும் சம்பள உயர்வு கொடுக்காததற்குக் காரணம் என்ன என்று அறிய விரும்புகிறேன்.

THE HON. SRI C. SUBRAMANIAM : இது வேறு சமாசாரம், அது வேறு சமாசாரம்.
